Facial Coverings

All OSU students, employees, and visitors must wear a facial covering (mask) upon entering any campus building and when near or encountering others. This includes during class. Students who fail to wear their facial covering in class will be asked to leave the classroom and return after retrieving their facial covering.

Students who continuously fail to comply with this university expectation will be referred to Student Conduct for the Student Code of Conduct's Failure to Comply policy. COVID-19 can be spread when people are asymptomatic, which means they do not know they are sick yet. Wearing facial coverings has been shown to reduce the spread of COVID-19 to others. It is important that OSU is a safe place to work and study, and taking this step creates a safe environment for all of us as advised by the CDC. More on facial covering guidelines.

Attendance and Virtual Office Hours

According to the OSU COVID-19 guidelines, grading schemes cannot provide either penalties or benefits for student attendance.

Due to university policy of social distancing, our classroom ES 412 has a seating limit of 25 students. We have around 48 students choose to attend the class Face-to-Face (F2F). So students who choose F2F are evenly divided into two rotations A and B. On Monday, students in rotation A will come to the classroom to attend the class F2F, while rotation B will be attending the class online. On Wednesday, students in rotation B will come to the classroom to attend the class F2F, while rotation A will be attending the class online. Students' rosters for rotation A and B are listed in a separate document "Students Rotation and Seating Chart" posted on Canvas as well as emailed to students. In addition, seats are fixed for students, please sit in class according to the seating chart.

Office hours are held virtually. I will inform the class how to use virtual office hours to ask me questions.

Course Operation Concept

We will use a combination of lectures and in-class practice to cover the assigned course material. The daily goal is to analyze and apply the concepts, techniques or processes in the assignment material. We will discuss and relate the material to the real world as well as identify its secondary and tertiary impacts. Knowledge without application is worthless. We will do in class problems after each chapter and discuss answers. **The due time of all the assignments are listed in the MyEconLab website as well as the class schedule on page five of this syllabus.**

Expectations for the class

- a. Read the assigned material for the specific day's class.
- b. Completed the assigned Prep chapter material.
- c. Completed assigned homework or unit exercise.
- d. Identified specific areas of the reading that you did not understand

At the [MyEconLab textbook site](#), there are numerous pre-posttest chapter quizzes, animated figures, and PPT presentations for each chapter. Utilizing your resources well can help you succeed in this class.

Preps, Homework and Unit Exercises (MyEcon Lab)

Economics is best learned by doing. You are expected to complete the assigned Prep and Homework problems before due time. Pay attention to the concepts, techniques and procedures emphasized in the questions. You will find the homework assignments listed in the class schedule.

Preps consist of 5-15 questions over the assigned reading. There are 2-3 points available for each prep. You have three tries for each prep. The best grade counts.

Homework and unit exercises consist of 15-35 questions. There are a possible 6 points for each homework and 10 points for each unit exercise. You have three tries for each of these assignments. The best grade counts.

Exams

We will have three **open-book and open-note** mid-term exams and a **non-comprehensive** final. Exams will be taken **online through Canvas Quizzes function**. All exams are worth 100 points. The exams will include multiple choice questions. Each exam is scheduled on the course schedule. You are required to take all exams. If you have a conflict (University authorized absence only) with a scheduled exam, then you need to inform me as soon as possible. Arrangements will be made for you to take the exam early. If you are seriously ill or a major emergency occurs which precludes your attendance at the exam, then you must notify me immediately. **In all cases, you must secure documentation supporting your absence within 5 days of your return to class. No documentation equals no authorized absence.** An unauthorized absence results in a score of zero for the exam.

Students with a DOCUMENTED university authorized absence, family death or serious illness have the following options:

- 1) take the exam early
- 2) take a make-up exam on the final week.
- 3) use your final exam grade for the missing exam

Exam Feedback

I will post the exam solution after the exam on Canvas. You are expected to compare your answers against the solution. Next determine **WHY** you missed each question. This is the most critical analysis that you can do. If you have questions regarding the solutions, then let me know.

Grades "YOU EARN WHAT YOU GET AND ONLY GET WHAT YOU EARN."

There will be:

1. Three Mid-term exams: 300 points
2. Preps, homework, unit exercises (MyEcon Lab): 100 points
3. Final exam: 100 points
5. **Total points: 500 points.**
6. Letter grades will be assigned according to the standard scale.
A: 90%-100% B: 80%-89% C: 70%-79% D: 60%-69% F: below 60%

7. ****You can substitute your final exam score for your lowest exam score on exams 1-3 unless you used it for a missing exam due to an authorized absence**.** For example, you make 60, 70, and 80 on exams 1-3. On the final exam you score **75**. I will replace your exam 1 score of 60 with your final exam score of 75. Then I will total your points (~~60~~ **75**, 70, 80, **75**)

Course Schedule Changes

The instructor reserves the right to modify the syllabus or course schedule as deemed necessary. If a change is made, an email will be sent to all participants. Course schedule changes may be highly possible due to COVID-19.

Academic Dishonesty Policy

Oklahoma State University is committed to the maintenance of the highest standards of integrity and ethical conduct of its members. This level of ethical behavior and integrity will be maintained in this course.

17 August 2020

Participating in a behavior that violates academic integrity (e.g., plagiarism, multiple submissions of the same assignment, cheating on examinations, fabricating information, helping another person cheat, having unauthorized advance access to examinations, altering or destroying the work of others, and fraudulently altering academic records) will result in your being sanctioned. Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination or course, receiving a notation of a violation of academic integrity on your transcript, and being suspended from the University. You have the right to appeal the charge. Contact the Office of Academic Affairs, 101 Whitehurst, 405-744-5627, <http://academicintegrity.okstate.edu/>

Students with Disabilities

Every effort will be made to create a positive learning environment for all students. Any students requiring special accommodations should contact the Student Disabilities Office as soon as possible.

Final Exam Overload Policy

In the event you have three or more final exams scheduled for a single day, you are entitled to arrange with the instructor of the highest numbered course (4 digit course number) or two highest, if you have four finals on one day, to re-schedule that examination(s) at a time and place of mutual convenience during final exam week. If the final exam overload includes a common final exam, the common final exam is excluded from rescheduling unless multiple common exams are scheduled at the same time. You should submit this request in writing, with a copy of your class schedule, at least two weeks prior to the beginning of final exam week.

DROPPING A COURSE AND WITHDRAWING FROM THE UNIVERSITY, students often confuse these terms.

Dropping a Course refers to the dropping of one or more classes while remaining enrolled in at least one other OSU course for a given semester. Drop and refund deadlines can be found within the [Academic Calendar](#). Summer courses and other short courses that vary from the standard 16-week semester follow proportionate drop and refund periods.

Withdrawing from the university means dropping *all* courses and you *are no longer enrolled for the current semester*. The withdrawal process is initiated with your academic advisor. Withdrawal deadlines can be found within the [Academic Calendar](#). Withdrawal deadlines involving summer courses and other short courses that vary from the standard 16-week semester follow proportionate withdrawal periods.

Exceptions to the deadlines above may only be considered by petition due to documented extraordinary circumstances and committee approval. The Retroactive Drop/Withdraw and Refund of Tuition and Fees Petition is available on the Academic Affairs' website: <http://academicaffairs.okstate.edu/content/adding-dropping-and-withdrawing-courses>.

ALERTS AND RESCHEDULING

If the OSU campus officially closes due to inclement weather or other emergencies, alerts are provided to local news media and posted on the OSU website. Missed exams, classes, or assignments may be rescheduled at times outside the normal meeting schedule. If valid, documented circumstances prohibit students from attending the rescheduled classes, instructors should provide reasonable alternative means for makeup.

ACADEMIC INTEGRITY

101 Whitehurst/405-744-5627/<http://academicintegrity.okstate.edu>

OSU is committed to maintaining the highest standards of integrity and ethical conduct. This level of ethical behavior and integrity will be maintained in this course. Participating in a behavior that violates academic integrity (e.g., unauthorized collaboration, plagiarism, multiple submissions, cheating on examinations, fabricating information, helping another person cheat, unauthorized advance access to examinations, altering or destroying the work of others, and altering academic records) will result in an official academic sanction.

Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination or course, receiving a notation of a violation of academic integrity on your transcript, and being suspended from the University. Students have the right to appeal the charge.

COPYRIGHT & FAIR USE POLICY OF COURSE MATERIALS

Course materials may not be published, leased, sold to others, or used for any purpose other than appropriate OSU-related individual or group study without the written permission of the faculty member in charge of the course and other copyright holders. This paragraph grants you a limited license giving you access to materials for this course, including PowerPoint slides, audio/video recordings, written, or other materials, for appropriate OSU-related educational use only. Lectures should not be recorded without permission from the faculty member and must not be further disseminated or shared. Assignments, quizzes, and exams (individual questions or in its entirety) should not be uploaded to websites offering note-sharing, tutoring, or other academic help (free or by paid subscription).

CLASS ATTENDANCE

Class attendance is a critical component of learning; therefore, you are expected to attend and participate fully in all scheduled class meetings. While no penalty may be assessed for class absences during Fall 2020, you may not be permitted to make up certain class activities if absent. If you are ill, you should stay home. If you are required to participate in official university-sponsored activities or military training, you should receive an excused absence unless the written course attendance policy indicates otherwise. If you will be absent from class for sponsored activities, you must provide prior notification of the planned absence to the instructor. You may be required to submit assignments or take examinations before the planned absence.

COURSE SCHEDULE ADJUSTMENTS FOR FALL

Courses that usually meet for 50 minute class periods (e.g. Monday, Wednesday, and Friday classes) have been shortened by 5 minutes per class meeting to allow more travel time for students and faculty between classes. Instructors will be expected to provide additional assignments or instruction to make up the contact time for these courses to ensure classes meet the required semester credit hour standards.

INSTRUCTOR OFFICE HOURS

During Fall 2020 instructors and teaching assistants shall offer office hours online. Students are asked to respect the posted virtual office hours of all instructors and teachings assistants.

PRE-FINALS WEEK POLICY

Final examinations are scheduled at the end of each semester and are preceded by pre-finals week, which begins seven days prior to the first day of finals. During Fall 2020 pre-finals week, all normal class activities will continue in an online format; however, no assignment, test, or examination accounting for more than 5% of the course grade may be given; and no activity or field trip may be scheduled that conflicts with another class. This excludes makeup and laboratory examinations, out-of-class assignments (or projects) made prior to pre-finals week and independent study courses. No student or campus organization may hold meetings, banquets, receptions, or may sponsor or participate in any activity, program, or related function that requires

student participation. For additional information, contact the Office of Academic Affairs, 405-744-5627, 101 Whitehurst.

FINAL EXAM OVERLOAD POLICY

Final exams for Fall 2020 will be held in an online format. In the event you have three or more final exams scheduled for a single day, you are entitled to arrange with the instructor of the highest numbered course (4 digit course number) or two highest, if you have four finals on one day, to re-schedule that examination(s) at a time and place of mutual convenience during final exam week. If the final exam overload includes a common final exam, the common final exam is excluded from rescheduling unless multiple common exams are scheduled at the same time. You should submit this request in writing, with a copy of your class schedule, at least two weeks prior to the beginning of final exam week. The instructor has one week prior to the beginning of final exam week to arrange a mutually convenient time and place for administration of the final exam. After one week, if an agreement cannot be reached, take the request to the department head.
